Dear Erin Buchanan,

I am writing to you regarding *Sage Research Methods Datasets*, which we are planning to launch in early 2019. For the present I am writing to confirm the arrangements on copyright.

In return for the consideration specified below, you grant to SAGE Publications Ltd ('SAGE') the exclusive right and licence to produce and publish the following piece of work or "dataset" ('the Contribution'):

**Using Word Frequencies to Analyze Political Language and Moral Focus**

in all media and all languages throughout the world for the legal term of copyright, and to further license subsequent publication and use, in whole, part or abridgement including but not limited to compilation, custom and electronic products.

You retain copyright and all publication rights over your research data, extracts of which are included in the dataset.

You hereby warrant to SAGE that the Contribution(s) is/are your original work, that you have obtained and enclose all necessary permissions for the reproduction as part of the Contribution(s) of copyright works in all formats and media (including artistic works, e.g. illustrations, photographs, charts, maps, other visual material, etc.) not owned by you, that the Contribution(s) contains no defamatory or untrue statements and does not infringe any rights of others, and agree to indemnify SAGE against any claims in respect of the above warranties.

SAGE undertakes to pay you the sum of (or part share of) £250.00 on publication of the Contribution as part of SAGE Research Methods Datasets (to be divided in the case of co-authorship).

You hereby provide your express consent for SAGE, its affiliates and licensees, and their respective designees to contact you in connection with any business communication or other correspondence. The parties agree that such consent may be withdrawn by you at a later time by providing written notice (including by email) to SAGE. This clause shall survive expiration or earlier termination of this Agreement.

I would be grateful if you could signify your agreement\* with the above by signing and dating both copies of this letter and returning one to me at the above address.

*This transaction may be conducted by electronic means and the parties authorise that their electronic signatures act as their legal signatures of this Agreement. This Agreement will be considered signed by a party when their electronic signature is transmitted. Such signature shall be treated in all respects as having the same effect as*
